Love is a Verb: Stories of What Happens When Love Comes Alive Gary Chapman

Dr. Gary Chapman has spent his life helping people communicate love more effectively and in turn build more satisfying and lasting relationships. His book *The Five Love Languages* is a regular on the New York Times Best Sellers list--even after being in print for fifteen years--and has made the term "love language" a part of everyday speech.

Love Is a Verb takes his teaching to the next level. Rather than a typical marriage self-help book filled with lengthy explanations of principles and techniques, it is a compilation of true stories displaying love in action. These stories--written by everyday people--go straight to the hearts of readers, who often say that illustrations are the most effective parts of a book. Gary Chapman adds a "Love Lesson" to each story, showing readers how they can apply the same principles to their own relationships.
