Third World Cities: Problems, Policies and Prospects (SAGE Focus Editions)

Third World Cities: Problems, Policies and Prospects (SAGE Focus Editions)

Gathering an internationally renowned group of scholars in urbanization and development studies, this work explores the impact of internal and international migration on cities in the Third World. Vital issues such as demographic trends, economic development, environmental impact, welfare and housing policy are examined across a variety of geographic locations. The book will be an invaluable resource for anyone engaged in policy or programme work in Third World development.
