**“One of the great political works of our time, a book that ought to be required reading for every American citizen. . . .” ?*San Francisco Bay Guardian***

*Committing Journalism* collects more than fifty essays by famed convict-writer Dannie Martin, a.k.a. “Red Hog” ?hard-hitting, eloquent reports on the racism, brutality, inadequate health care, harassment, and other conditions of life behind the prison walls. When they first appeared in the *San Francisco Chronicle* they made Martin a celebrity?and eventually the Bureau of Prisons tried to silence him. Peter Sussman, Martin’s editor at the *Chronicle*, interweaves the story of their struggle, their collaboration, and their friendship. The result is a work of irrefutable witness, a gripping narrative, a book that gives a human face to America’s swelling prison population.
