## **Hollywood and the Bible** Benjamin Sambul

Hollywood has been putting out Bible movies since the Silent Era. This amazing new book, "Hollywood and the Bible", is your guide for some of the most memorable Bible films from the past century. They're all in here: the big-budget extravaganzas and hopeful near-misses. Focusing on the Old Testament, but including a glossary of mostly all Biblical epics ever made, this reference guide is a must-have for Bible movie aficionados. The main chapter, of course, is about DeMille's 1956 epic *The Ten Commandments* (starring Charlton Heston and Yul Brynner), the standard-bearer by which all other Biblical movies are judged against. Many people only know of this Bible film, but it wasn't the first nor will it be the last. There are many other enjoyable Biblical movies, and this excellent reference guide offers detailed analyses of the more important films of this genre. It also features brilliant full-color illustrations by up-and-coming young artist Zac Karis Crawford, so relax and enjoy as you go back in time!
