From Book 1: What if beauty is more than just skin deep?

When Chelsea Martin's future stepmother helps her transform from gawky and geeky into the hottest girl at her new school, Chelsea is pretty sure it's the best thing that ever happened to her. But her hot new look has a downside. She's attracting lots of guys who all have one thing in common: they're jerks. Oh, and stealing the attention of all the guys in school doesn't exactly make her BFF material for the girls.

Finally a great guy catches her eye. But he's the only one around who doesn't give her a second glance. Can Chelsea come up with a plan to get his attention? Or will her new image ruin everything?
