*You can't move forward until you deal with the past...*

Starting over is nothing new to diplomat's daughter Lindsey Yi. She's grown up changing schools the way other girls change clothes. Still, moving to Lincoln, Connecticut, is different. Although she's still reeling from the loss of her parents in an accident, Lindsey is finally in a place that feels like home. Because here, Lindsey's ability to read other people's thoughts doesn't make her weird. It makes her one of the Mystyx.

When Dylan Murphy—hot, popular and a senior—starts to notice her, things get serious, fast. But even as she's figuring out how she really feels, the Mystyx realize that they're not the only supernaturals in town. There are other *gifted* teens who have different motives. And they are hoping to get close enough to the Mystyx to convert them—and the world—to Darkness....
