An attractive walkway or terrace dramatically improves a home's curb appeal and livability. In many older homes, walkways and terraces need updating or replacement, and new homes are often sold without these enhancements. The projects illustrated in *Patios and Walkways*, from rustic stone paths to handsome new patios, can be completed within 1-3 days and are explained step-by-step, allowing even first-time masons to achieve professional results. The book helps homeowners select from the wide variety of outdoor materials and tools available at home stores and landscape centers.
