The Book of Jane Anne Dayton, May Vanderbilt

Jane Williams is the happiest woman in New York. She has a dream job, a perfect Manhattan apartment, and the man she wants to marry. Her whole life is mapped out to the finest detail, and things just can't get any better. But in a New York minute, everything changes. After an evening on the town with a hot Hollywood actor her PR firm is wooing, she wakes up to a day filled with strange occurrences—a weird mark on her face and a red-haired woman who seems to be following her every move. This bizarre day turns increasingly horrible, and over the course of it, Jane loses her boyfriend, her job, her home, and her dog. Unsure of why she's being tested, Jane struggles to hold herself together while her world falls apart. Has God forgotten her?

In this witty and contemporary retelling of the story of Job, Jane discovers what she really wants, after nearly everything she holds dear slips away. Filled with the sophistication and excitement of city life, but sprinkled with humor and strong values, *The Book of Jane* charms, inspires, and warms the heart.

From reader reviews:

Robert Landers:

The book The Book of Jane make you feel enjoy for your spare time. You should use to make your capable more increase. Book can to get your best friend when you getting stress or having big problem with the subject. If you can make looking at a book The Book of Jane to get your habit, you can get much more advantages, like add your own personal capable, increase your knowledge about several or all subjects. You can know everything if you like open up and read a reserve The Book of Jane. Kinds of book are several. It means that, science e-book or encyclopedia or other folks. So , how do you think about this publication?

Anne Stewart:

In this 21st millennium, people become competitive in each way. By being competitive at this point, people have do something to make all of them survives, being in the middle of typically the crowded place and notice simply by surrounding. One thing that often many people have underestimated that for a while is reading. Yep, by reading a publication your ability to survive improve then having chance to stay than other is high. For you who want to start reading a book, we give you this The Book of Jane book as beginner and daily reading publication. Why, because this book is greater than just a book.

Peter Pitts:

The publication with title The Book of Jane has a lot of information that you can study it. You can get a lot of help after read this book. This specific book exist new information the information that exist in this guide represented the condition of the world at this point. That is important to yo7u to find out how the improvement of the world. This particular book will bring you within new era of the the positive effect. You can read the e-book on the smart phone, so you can read that anywhere you want.

Herbert White:

As a scholar exactly feel bored to reading. If their teacher inquired them to go to the library or even make summary for some publication, they are complained. Just tiny students that has reading's heart or real their passion. They just do what the teacher want, like asked to the library. They go to presently there but nothing reading critically. Any students feel that reading is not important, boring and also can't see colorful images on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this The Book of Jane can make you really feel more interested to read.
