**Tricia Guild Pattern: Using Pattern to Create Sophisticated, Show-stopping Interiors** Tricia Guild, Elspeth Thompson

Tricia Guild is known for her bold fabric, wallpaper designs, and an extraordinary sense of color and pattern. Following the success of her books on color, she now shares her skills with patterns. The book draws on historical and global patterns. Woven or printed or embroidered, patterns inspire Tricia Guild as she uncovers their origins and explores the exotic. Any pattern can be appropriate for the right room—European checks and stripes, Asian silks and damasks, the Caribbean's vibrant ethnic prints, as well as contemporary abstract and geometric patterns. The book is divided into style sections: floral, painterly, geometric, classics, silks, and tropical. The author draws on examples from her own designs to demonstrate the impact pattern has on the energy and mood of a room and how to use pattern with confidence. Included at the end are colorboards with hints and tips for designing. With stunning, original photography and a text rich in insights from the designer's own experience, this is a must-have compendium for anyone interested in contemporary interior design.
