What Every American Should Know About the Middle East Melissa Rossi

The What Every American Should Know series returns with a timely guide to the region Americans need to understand the most (and know the least)

The latest edition of Melissa Rossi's popular What Every American Should Know series gives a crash course on one of the most complex and important regions of the world. In this comprehensive and engaging reference book, Rossi offers a clear analysis of the issues playing out in the Middle East, delving into each country's history, politics, economy, and religions. Having traveled through the area over the past year, she exposes firsthand the U.S.'s geopolitical moves and how our presence has affected the region's economic and political development. Topics include:

- Why Iran is viewed as a threat by most Middle East countries
 - What resource is more important than petroleum in regional power plays
 - What's really behind the fighting between Sunni and Shia
 - How Saudi Arabia inadvertently feeds the violence in Iraq and beyond
 - How monarchies like those in Jordan and Qatar are more open and progressive than the so-called republics
- With answers that will surprise many Americans, and covering a vast history and cultural complexity that will fascinate any student of the world, *What Every American Should Know About the Middle East* is a must-read introduction to the most critical region of the twenty-first century.

From reader reviews:

Robert Maselli:

Nowadays reading books are more than want or need but also get a life style. This reading habit give you lot of advantages. The benefits you got of course the knowledge the actual information inside the book this improve your knowledge and information. The details you get based on what kind of e-book you read, if you want send more knowledge just go with education books but if you want sense happy read one along with theme for entertaining such as comic or novel. The actual What Every American Should Know About the Middle East is kind of e-book which is giving the reader unstable experience.

Arthur Daniel:

Spent a free time for you to be fun activity to complete! A lot of people spent their down time with their family, or their friends. Usually they doing activity like watching television, likely to beach, or picnic from the park. They actually doing same thing every week. Do you feel it? Do you need to something different to fill your current free time/ holiday? Could be reading a book might be option to fill your totally free time/ holiday. The first thing that you will ask may be what kinds of book that you should read. If you want to consider look for book, may be the e-book untitled What Every American Should Know About the Middle East can be excellent book to read. May be it can be best activity to you.

Ricardo Hayward:

As a university student exactly feel bored in order to reading. If their teacher asked them to go to the library or make summary for some book, they are complained. Just very little students that has reading's internal or real their hobby. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading seriously. Any students feel that studying is not important, boring as well as can't see colorful images on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this What Every American Should Know About the Middle East can make you feel more interested to read.

Gerald McMullen:

Reading a book make you to get more knowledge from that. You can take knowledge and information from your book. Book is composed or printed or descriptive from each source that will filled update of news. On this modern era like right now, many ways to get information are available for you actually. From media social just like newspaper, magazines, science publication, encyclopedia, reference book, novel and comic. You can add your understanding by that book. Do you want to spend your spare time to spread out your book? Or just in search of the What Every American Should Know About the Middle East when you desired it?
