**Anything Your Little Heart Desires: An American Family Story** Patricia Bosworth

**Patricia Bosworth's striking and compelling memoir of power, politics, and family through one of the most defining eras in American history**

The FBI kept a secret dossier on him. He was a confidante to stars; adviser to politicians; and lawyer to the likes of William Randolph Hearst, Rita Hayworth, and the blacklisted Hollywood Ten, whom he defended during the House Un-American Activities Committee trials of 1947. Bartley C. Crum was also Patricia Bosworth's father—a frequently absent, unrelentingly principled, and stubbornly self-destructive one. *Anything Your Little Heart Desires* is Bosworth's memoir of life with him, and of the momentous events that shaped his lifetime, from the New Deal to the Cold War and the anti-Communist fervor that jolted American life.

Using interviews, journals, letters, and her father's own files, Bosworth delivers a profoundly personal portrait of the father she never fully knew, and the political forces that shaped a nation.
