## **Israel the Chosen: Why the Jews are special** Mr Charles Gardner

Seventy years after the wholesale massacre of six million European Jews in the gas ovens of Nazi Germany, a succeeding generation (and the nation of Israel in particular) is being threatened with another holocaust - this time from a different source - while the world looks the other way. In this book Charles Gardner offers some answers to the perplexing question of why a tiny country surrounded on all sides by hostile Arab nations is the focus of so much attention from politicians and the media. His conclusions may be too unpalatable for a politically-correct world to accept, but they deserve to be taken seriously.
