Offspring

MICHAEL QUADLAND

Offspring MICHAEL QUADLAND

On a wintry morning in 1974, Hank Preston makes a semen delivery to the New York Hospital Fertility Clinic. Running late, he takes the elevator rather than the stairway earmarked for such deliveries. A woman enters, the recipient of his semen, and a relationship develops that threatens to blow their already rocky lives to smithereens. To add to Hank's problems, his transgendered boss at the Strand Bookstore is in love with him. "But I'm straight," Hank protests. "And I'm a woman," Joey insists.

The odd yet compelling interactions of these three vibrant characters makes for a gripping story. Hank needs to come to terms with what happened to him in Vietnam. Karen, the would-be mother, needs to clarify the difference between fantasy and reality. Joey, the sanest of the three, despite—or maybe because of—her gender mix-up, shares her wisdom and tries, somewhat unsuccessfully, to hold them all on course. Secrets are revealed as the twisting plot erupts into a fiery conclusion.

Offspring is a story of longings, thwarted dreams and the search for truth. Ultimately, it is a tale of family, and our fervent need to belong.

From reader reviews:

Nora Carter:

Book is written, printed, or descriptive for everything. You can understand everything you want by a e-book. Book has a different type. As it is known to us that book is important thing to bring us around the world. Beside that you can your reading ability was fluently. A book Offspring will make you to end up being smarter. You can feel a lot more confidence if you can know about almost everything. But some of you think that will open or reading a new book make you bored. It's not make you fun. Why they can be thought like that? Have you in search of best book or suited book with you?

Christopher Watson:

Here thing why this Offspring are different and dependable to be yours. First of all looking at a book is good however it depends in the content of the usb ports which is the content is as scrumptious as food or not. Offspring giving you information deeper and in different ways, you can find any guide out there but there is no guide that similar with Offspring. It gives you thrill looking at journey, its open up your eyes about the thing this happened in the world which is might be can be happened around you. It is possible to bring everywhere like in park, café, or even in your technique home by train. When you are having difficulties in bringing the paper book maybe the form of Offspring in e-book can be your substitute.

Theresa Tompkins:

Offspring can be one of your beginner books that are good idea. Many of us recommend that straight away because this guide has good vocabulary that could increase your knowledge in words, easy to understand, bit entertaining but still delivering the information. The author giving his/her effort that will put every word into pleasure arrangement in writing Offspring yet doesn't forget the main place, giving the reader the hottest along with based confirm resource information that maybe you can be one among it. This great information can certainly drawn you into fresh stage of crucial thinking.

Valerie Beauchamp:

Your reading 6th sense will not betray you, why because this Offspring reserve written by well-known writer we are excited for well how to make book that could be understand by anyone who read the book. Written in good manner for you, dripping every ideas and writing skill only for eliminate your own personal hunger then you still hesitation Offspring as good book not just by the cover but also by content. This is one book that can break don't judge book by its handle, so do you still needing yet another sixth sense to pick this!? Oh come on your looking at sixth sense already said so why you have to listening to an additional sixth sense.
