How can a Christian leader empower others to lead?

A follow up to Aubrey Malphurs' *Being Leaders*, the groundbreaking *Building Leaders* provides a biblical blueprint for finding and developing leaders who will carry on and expand the work of your church. Countering the current leadership development crisis, this book is unique in helping leaders to grow other leaders in a local church context.

Worried that you don't have time to develop leaders? You're not alone. Tight budgets, small staffs, and endless administrative duties leave many pastors feeling overwhelmed. But without continually "giving the ministry away," churches miss the opportunity to double their efforts to reach the world for Christ.

Including a leadership development guide, thought-provoking questions, and surveys, *Building Leaders* will help your church design a unique leadership development model regardless of its size or budget.

Aubrey Malphurs is professor of pastoral ministries at Dallas Theological Seminary. A nationally recognized expert on leadership issues, he is the author of over a dozen books and the president of The Malphurs Group ([www.malphursgroup.com](http://www.malphursgroup.com)), a training and consulting organization.

William Mancini has a Master of Theology degree in pastoral leadership from Dallas Theological Seminary and is a consultant with John Manlove Church Marketing.
