2 Audio CDs - 1 hours and 39 minutes. First Communion Days is a collection of 12 true stories of children preparing for and receiving their First Holy Communion as remembered by a Sister of Notre Dame. These stories will encourage a love of the Blessed Sacrament in children and adults alike. An old-fashioned treasure which will bring a fresh awareness of the amazing gift our Lord has given us in the Holy Eucharist! Our CDs are packaged in premium DVD cases with CD labeling printed right on the CD in full color. We do not use paper stick-on labels, these tend to peel off over time and can really jam up car CD players and computers. We chose to use DVD cases for our CD sets, as we have found they hold up better in shipping and in regular usage than the typical CD jewel case. Please note: All recordings we offer on CD are produced with recordings from LibriVox, public domain works recorded by volunteers. We at St. Clare Audio would like to thank the volunteers for their gift of offering their work to the public domain. St. Clare Audio's niche is providing them in ready-to-purchase CD sets, for those who cannot download, or have not the desire or time to do so, as well as the benefit of a nice case and professionally produced CDs. First Communion Days Audiobook is read by Maria Therese.
