Gender, Law and Social Justice (Law in its Social Setting)

Gender, Law and Social Justice (Law in its Social Setting)

Are gender issues marginalized debates over governance, legal reform and globalization? If so, why? Written by feminist scholars from both developing and developed countries, this title addresses a range of issues relating to the relationship between gender, social justice and law and considers the ways in which women are excluded from social and economic justice. It also discusses the interaction between gender, social, cultural and legal forms. The contributors reflect the range of approaches adopted by academics and policy makers.
