Waterloo 1815 (3): Mont St Jean and Wavre (Campaign) John Franklin

Waterloo is one of the defining campaigns of European history. The name conjures up images of the terrible scale and grandeur of the Napoleonic Wars and the incredible combined effort that finally ended Napoleon's aspirations of power in Europe. Drawn from unpublished first-hand accounts, and using detailed illustrations, this comprehensive volume is the ideal resource for studying the intense fighting at the battles of Waterloo and Wavre, the final, decisive engagements of the Waterloo campaign. Those two battles are at the heart of this study, which explores the action at Mont St Jean where Wellington managed to hold the French at bay until the arrival of the Prussians under Blücher saw the Allies secure a hard-fought victory at the dramatic climax of the 'Hundred days'.
