**Youngstown State University: From YoCo To YSU (Campus History)** Donna M. DeBlasio, Martha I. Pallante

As Youngstown State University prepares to celebrate its centennial anniversary in 2008, this book is a reflection on its history and heritage. Starting as a YMCA law school in 1908, the institution that became Youngstown State University is now a major and vital force in the community and the region. The images collected here illustrate the transformation of the institution from a storefront operation in the downtown area, to classroom space in former mansions, to a full-blown 21st-century campus. As the community itself became more diverse, the institution that it spawned followed suit as did its student body, faculty, staff, and programs.
