Galloway and the Borders (Collins New Naturalist Library, Book 101) Derek Ratcliffe

Another volume in the widely-read New Naturalist series, this book is an in-depth study of the natural developments and history of Galloway and surrounding areas.

Often overlooked due to the reputation of natural habitat in other parts of the country, the author here conveys the diversity and magnificence of nature in the south of Scotland.

Galloway and the borders is an extremely varied region, from saltmarshes and shingle beaches to rocky islands and seabird stations. The wide range of hills, displaying a wealth of rich colours, give the area its dominant character. The varied selection of flora and fauna only add to the diversity.
