Introduccion a la Biblia: Presentación general, contexto histórico y aspectos culturales (Liguori Catholic Bible Study) (Spanish Edition) William A. Anderson DMin PhD

La Biblia es el texto más venerado por los cristianos y también el más conocido; pero, paradójicamente, quizás es también el menos comprendido. El P. William A. Anderson proporciona al lector las bases para entender su contexto cultural e histórico, para "escuchar" las tradiciones orales y para "encontrarse" con los autores sagrados y lograr así una mejor comprensión del mismo. Al tener más presente la Palabra de Dios en su vida, su relación con Dios se hará también, si cabe, más profunda. Introduction to the Bible: Overview, Historical Context, and Cultural Perspectives. Introduction to the Bible, the first book in the series, lays the groundwork for readers to understand the Bible. Fr. William A. Anderson helps readers understand historical and cultural contexts, "hear" oral traditions, and "meet" the writers of the books of the Bible.
