The Republic of Conscience

Gary Hart

The Republic of Conscience Gary Hart

Former Senator Gary Hart's *The Republic of Conscience* is a meditation on the growing gap between the founding principles of the United States Constitution and our current political landscape.

Going back as early as 400 BC, the idea of a true republic has been threatened by narrow, special interests taking precedence over the commonwealth. The United States Constitution was drafted to protect against such corruption, but as Gary Hart details in *The Republic of Conscience*, America is nowhere near the republic it set out to be almost 250 years ago, falling to the very misconduct it hoped to avoid.

In his latest book, the former Colorado Senator and presidential contender describes ‘the increasing gap between purpose and performance’ in America, emphasizing how the sense of national interest has become distorted and diluted over time. Focusing on the years after World War II, Hart tackles major American institutions—the military, the CIA, Congress—and outlines how these establishments have led the country away from its founding principles, not closer to them.

Full of original and incisive analysis, *The Republic of Conscience* is Hart's examination and remedy for the millions of Americans who feel jaded, confused, and disappointed by their current government. A testament to Hart's political faith in the founding fathers, this book is one citizen's attempt to recapture the Republic, and a timely reminder for the next July 4th holiday.

From reader reviews:

David Hernandez:

Your reading sixth sense will not betray you actually, why because this The Republic of Conscience publication written by well-known writer whose to say well how to make book that can be understand by anyone who read the book. Written with good manner for you, still dripping wet every ideas and writing skill only for eliminate your hunger then you still uncertainty The Republic of Conscience as good book but not only by the cover but also by the content. This is one reserve that can break don't assess book by its protect, so do you still needing one more sixth sense to pick that!? Oh come on your looking at sixth sense already alerted you so why you have to listening to a different sixth sense.

Daniel England:

Many people spending their time period by playing outside having friends, fun activity together with family or just watching TV the entire day. You can have new activity to spend your whole day by looking at a book. Ugh, do you consider reading a book will surely hard because you have to use the book everywhere? It okay you can have the e-book, delivering everywhere you want in your Smart phone. Like The Republic of Conscience which is keeping the e-book version. So , why not try out this book? Let's find.

Eugene Ruano:

As a college student exactly feel bored for you to reading. If their teacher requested them to go to the library or make summary for some e-book, they are complained. Just minor students that has reading's internal or real their pastime. They just do what the teacher want, like asked to the library. They go to there but nothing reading really. Any students feel that studying is not important, boring and also can't see colorful pics on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this The Republic of Conscience can make you feel more interested to read.

John Hill:

What is your hobby? Have you heard that question when you got scholars? We believe that that issue was given by teacher with their students. Many kinds of hobby, Every individual has different hobby. And you know that little person such as reading or as looking at become their hobby. You need to know that reading is very important and also book as to be the factor. Book is important thing to incorporate you knowledge, except your teacher or lecturer. You see good news or update concerning something by book. Many kinds of books that can you choose to use be your object. One of them is niagra The Republic of Conscience.
