**Voces de Chernóbil: Crónica del futuro (Spanish Edition)** Svetlana Alexievich

**PREMIO NOBEL DE LITERATURA 2015**

**La escritora bielorrusa da voz a aquellas personas que sobrevivieron al desastre de Chernóbil y que fueron silenciadas y olvidadas por su propio gobierno. Este libro les da la oportunidad de contar su historia.**

Chernóbil, 1986. «Cierra las ventanillas y acuéstate. Hay un incendio en la central. Vendré pronto.» Esto fue lo último que un joven bombero dijo a su esposa antes de acudir al lugar de la explosión. No regresó. Y en cierto modo, ya no volvió a verle, pues en el hospital su marido dejó de ser su marido. Todavía hoy ella se pregunta si su historia trata sobre el amor o la muerte.

*Voces de Chernóbil* está planteado como si fuera una tragedia griega, con coros y unos héroes marcados por un destino fatal, cuyas voces fueron silenciadas durante muchos años por una polis representada aquí por la antigua URSS. Pero, a diferencia de una tragedia griega, no hubo posibilidad de catarsis.

**«[...] por su escritura polifónica, que es un monumento al valor y al sufrimiento en nuestro tiempo.»  
Jurado de la Academia Sueca al otorgar a la autora el Premio Nobel de Literatura 2015.**

## **La crítica ha dicho...**

«Alexiévich describe de manera muy elocuente la incompetencia, el heroísmo y el dolor: mediante los monólogos de sus entrevistados crea una historia que el lector, por muy distante que esté de los acontecimientos, será capaz de palpar.»

*The Daily Telegraph*

«Terribles y grotescas, las historias se consolidan página tras página como los radionúclidos instalados en los cuerpos de los supervivientes.»

*The New York Times*

«En sus libros es capaz de rescatar lo que quedó bajo los escombros de la historia para escribir con ello una crónica del futuro.»

Carmen G. de la Cueva, *Ahora*
