Throughout history, God has called people to rise up and take their place as kingdom workers--yet today, as that call goes out to teenagers, many don't respond because they believe they're too young, or too ordinary, or too flawed.

*Rise Up* will help your students learn about how God wants them to rise up and joyfully live out their God-given calling. This video-based series is built around four men in the Bible whose experiences deliver powerful truths about having a faithful attitude, spending time with Jesus, being defined by God instead of by past mistakes, and quickly responding to God's call.

Each lesson includes a video segment designed for your junior high students and one geared toward high school students:

- Lesson 1: Noah [7:16 for junior high / 7:21 for high school]
- Lesson 2: John [6:16 for junior high / 7:13 for high school]
- Lesson 3: Gideon [6:53 for junior high / 7:51 for high school]
- Lesson 4: Moses [7:52 for junior high / 8:14 for high school]

You also get discussion guides for each age group, promotional materials, and other helpful materials. And all of the resources are editable and reproducible!

This generation has the opportunity to powerfully impact this world. God is still talking to his people. God is still calling his people to listen and obey and become kingdom workers.

Will your students respond to the call--and rise up?
