The seething passions that lurk within many individuals are often hidden beneath a veneer of normalcy, exposed only under extremely tempting conditions. The woman who, after a few drinks at a party, takes on all corners, males and females alike. The man who, during a strip show at a stag party, climbs up on stage with the girl and performs with her in front of his friends. The couple who, under group pressure, reluctantly join the neighborhood mate-Swappers. Pamela Shirley is one of these outwardly proper and quite normal people. But within her a perverse desire for her son lies coiled like a snake, waiting only for the proper stimulus to arouse it. SECRET BOUNDARIES -a fictional story about a society that refuses to face many of its real problems.
