Selected Poems Moyra Donaldson

Moyra Donaldson's poetry collections have been hailed as 'urbane, modern, and sophisticated...important and engaging...ambitious in its scope, and speaking with a rare authority...insightful and profoundly moving...'

Selected Poems is an ideal place for the reader to engage with the themes of Donaldson's work: the natural world, human sexuality, and the often unexpected ways in which people's lives interlink. Drawing inspiration from historical figures, friends, and chance acquaintances alike, Moyra Donaldson looks at the world with a fresh, unflinching eye. Selected Poems is a remarkable achievement by a poet at the height of her powers.
