Madison Sommers is sure she has the world in her hands—a great job working for the Speaker of the U.S. House of Representatives, a beautiful townhouse in Georgetown, her ambassador father finally at home rather than at the other end of the world. And in Dan Foreman, a lover she adores. The sex is beyond anything she could have imagined, for Dan knows how to use every part of his body, including his talented hands and mouth, to give her screaming orgasms. She wonders if life could possibly get any better.
