Anna could hardly turn down the contract of her career! Austin Cahill had parlayed his business savvy to the point that he had everything he wanted out of life. Except, of course, a child. And Caroline Lamont had happily agreed to provide him with one. Event planner Anna Maitland was a pro at themed extravaganzas. Medieval knights and ivy-draped bowers were right up her alley. So Caroline Lamont *had* to have her orchestrate Texas's wedding of the year. Landing the account for the Cahill-Lamont nuptials had an unexpected fringe benefit. Anna's son, Will, got to meet his idol, Austin Cahill. The problem was, the charismatic Mr. Cahill was proving pretty irresistible to Will's mom, too, even though she was doing a bang-up job of arranging his wedding to another woman!
