## **Civil Rights Litigation: Representing Plaintiffs Today** Rebecca A. Taylor

Asserting our civil rights goes to the heart of what it means to be an American, but unfortunately, our property, liberty, and even life can be sacrificed when we exercise these fundamental rights. This book seeks to help lawyers, their clients, and the general public negotiate the field of civil rights law in the social and political climate of America today. Civil Rights Litigation is a step toward sharing information and cooperation between everyone who supports civil rights, including the separate movements, attorneys, their clients, and the general public.
