It is the 32nd century. After decades of peace and prosperity, interstellar communications break down and rumors of war sweep through the universe. As ancient hatreds and rivalries rear their ugly heads, people who have only known war through history books are suddenly thrust into the dark maelstrom of combat. Some fight for king and country, others for greed and power, others for love -- all will struggle to defeat those who would see them destroyed, while protecting the only homes they have known. Welcome to MechWarrior: Dark Age. Classic BattleTech Record Sheets: MechWarrior Dark Age I™ provides filled-out record sheets for the new infantry, vehicles and BattleMechs in the MechWarrior: Dark Age game published by WizKids Games. Along with the Classic BattleTech Miniatures Rules, this record sheet book allows Classic BattleTech players to use MechWarrior: Dark Age miniatures in their BattleTech games.
