## Dressing Up for the Carnival Carol Shields

In **Dressing Up for the Carnival**, Carol Shields distills her characteristic wisdom, elegance, and insouciant humor in twenty-two luminous stories. A wealth of surprises and contrasts, this collection ranges from the lyricism of "Weather," in which a couple's life is thrown into chaos when the National Association of Meteorologists goes on strike, to the swampy sexuality of "Eros," in which a room in a Parisian hotel on the verge of ruin is the catalyst for passion, to the brave confidence of "A Scarf"-new for this collection-which chronicles the realities of a fledgling author's book tour. Playful, graceful, acutely observed, and generous of spirit, these stories will delight her devoted fans and win her new converts as well.
