Catherine's last job ended badly. Corporate bullying at a top TV network saw her fired and forced to leave London, but she was determined to get her life back. A new job and a few therapists later, things look much brighter. Especially when a challenging new project presents itself — to catalogue the late M. H. Mason's wildly eccentric cache of antique dolls and puppets. Rarest of all, she'll get to examine his elaborate displays of posed, costumed and preserved animals, depicting bloody scenes from the Great War. Catherine can't believe her luck when Mason's elderly niece invites her to stay at Red House itself, where she maintains the collection until his niece exposes her to the dark message behind her uncle's "Art." Catherine tries to concentrate on the job, but Mason's damaged visions begin to raise dark shadows from her own past. Shadows she'd hoped therapy had finally erased. Soon the barriers between reality, sanity and memory start to merge and some truths seem too terrible to be real... in *The House of Small Shadows* by Adam Nevill.
