## A Country Life: At Home in the English Countryside Roy Strong

Sir Roy Strong and his wife, the designer Julia Trevelyan Oman, have lived in the country for nearly thirty years. In 1987 he was asked to write an occasional column reflecting this quintessentially English way of life for the prestigious magazine *A Country Life*. This charming book brings these popular pieces together, portraying the passing of the seasons in what the author describes as his 'beloved adopted county' of Herefordshire.

*A Country Life* is a wide-ranging kaleidoscope of memories and observations, embracing the countryside, gardens, cooking, and remembrances of things both long gone and only yesterday. The author writes lyrically of the arrival of the bright green tarragon shoots in spring; of the delights of eating al fresco; of making sorbets from blackberry and quince; of the russet beech hedges in winter and the sweet nostalgia that comes from unpacking Christmas decorations.

The keynote of *A Country Life* is delight – a portrait of life in the English countryside, which seems as old as time itself.
