**Kim Jong-II, Revised and Updated: Kim Jong-il: North Korea's Dear Leader, Revised and Updated Edition** Michael Breen

**An expert on North Korea sheds new light on the enigmatic tyrant**

From his goose-stepping military parades to his clownish macho swagger, North Korea's Kim Jong-il is an odd amalgam of political cartoon and global menace. In charge of a nuclear arsenal he's threatened to use against the U.S. and Japan, the man, his motives, and the mechanisms of his absolute control over a country of twenty-three million people remains shrouded in mystery.

In this second edition of his bestselling *Kim Jong-il*, Michael Breen, a leading expert on North Korea, dispels common myths and fallacies about the so-called "Dear Leader," while turning a spotlight on the man to reveal his true nature and the nature of his hold over a country ravaged by poverty and famine.

- Looks at Kim from a broad perspective, unlike most other books that cater exclusively to those interested in policymaking and international relations
- Features new information about succession plans, as well as the latest scoop on the mounting pressure among world leaders to thwart North Korea's nuclear ambitions
- Illustrated with rare photographs of Kim and his regime

Highly accessible and suitable for anyone interested in learning more about North Korea, its government, and its leader, *Kim Jong-il* unravels the mysteries, the myths, and the fallacies about the man in charge in ways that will entice even the harshest critics.
