L'eleganza del costruttore: Pensieri sull'architettura moderna (Eliche) (Italian Edition) Charles Rennie Mackintosh

Charles Rennie Mackintosh è stato un pioniere del Modernismo architettonico la cui opera ha esercitato una notevole influenza sull'evoluzione del design e dell'architettura internazionale. Le tre conferenze raccolte in questo volume sono tra le poche testimonianze letterarie dell'architetto scozzese e risalgono agli anni della sua affermazione professionale, tra il 1892 e il 1902; in esse Mackintosh rivela le fonti della propria ispirazione, esponendo con entusiasmo la propria idea del mestiere, che deve coniugare il rispetto per la tradizione con l'originalità e l'indipendenza creativa, il rigore tecnico con la sensibilità artistica. Appassionati e visionari, questi scritti costituiscono il manifesto poetico di un grande innovatore.
