The Complete Screech Owls, Volume 3 Roy Macgregor

Celebrating ten years and more than one million books in print!

The third four-in-one edition to celebrate ten years of an award-winning, bestselling series.

#9: Nightmare in Nagano

The Screech Owls can't believe their good luck! They are flying thousands of miles to Nagano, Japan, the host city for the 1998 Winter Olympic Games - and they'll be playing in Big Hat, the Olympic arena. The attractions of Japan are quickly forgotten, however, when the mayor of Nagano is murdered at the tournament's opening-night banquet. Who would want such a nice man dead? And what has it got to do with the Screech Owls? . . . And what is the source of Nish's new superhuman powers?

#10: Danger in Dinosaur Valley

Summer has come early to the town of Drumheller, Alberta. Drumheller is the "Dinosaur Capital of Canada," home of the fierce Albertosaurus - cousin to Tyrannosaurus rex - whose ancient bones were discovered here more than one hundred years ago. One day when Nish returns from mountain biking, he claims he almost became breakfast for a living, breathing Albertosaurus! Of course his friends don't believe him, but when Travis, Sarah, and their teammates go for their own ride in the hills, they come back with a monstrous story that makes international headlines.

#11: The Ghost of the Stanley Cup

The Screech Owls have come to Ottawa to play in the Little Stanley Cup peewee tournament. Mr. Dillinger is also taking them to visit some of the region's famous ghosts: the ghost of a dead prime minister; the ghost of a man hanged for murder; the ghost of the famous painter Tom Thomson. At first the Owls thought this was Mr. Dillinger's best idea ever, until Travis and his friends begin to suspect that one of these ghosts could be for real.

#12: The West Coast Murders

The Screech Owls' journey to Vancouver had begun as an innocent hockey road trip. They had come to play in the new "Three-on-three" shinny tournament. But when the team headed out to sea to watch the first whales of the season return to the West Coast, the dream trip turned into a horrifying adventure. Two bodies - one a dolphin, one a man - bobbing in the tide. And when Nish stared down at the floating, twisting body of the man and announced "We know him!" the Screech Owls also knew they were in the middle of a baffling mystery.

Screech Owls books have won the Our Choice Award and the Manitoba Young Reader's Choice Award. They have been endorsed by the Canadian Toy Testing Council and shortlisted for the Silver Birch Award, the Red Cedar Award, the Arthur Ellis Award, the Ottawa-Carleton Award, and the Palmarès de Communication-Jeunesse.

From the Trade Paperback edition.
