The Wolf: A Novel Lorenzo Carcaterra

In this thrilling novel by Lorenzo Carcaterra—the #1 *New York Times* bestselling author of *Sleepers*, *Gangster*, and *Midnight Angels*—organized crime goes to war with international terrorism in the name of one man’s quest for revenge.

My name is Vincent Marelli, though most people call me The Wolf. You’ve never met me, and if you’re lucky you never will. But in more ways than you could think of, I own you.

I run the biggest criminal operation in the world. We’re invisible but we’re everywhere. Wherever you go, whatever you do, however it is you spend your money, a piece of it lands in our pockets.

You would think that with that kind of power I would be invincible. You would be wrong. I made a mistake, one that a guy like me can never afford to make. I let my guard down. And because I did, my wife and daughters are gone. Murdered by terrorists with a lethal ax to grind.

That was *my* mistake.

But it was also *theirs*.

I wasn’t looking for a war with them. No one in my group was. But they’ve left me with nothing but a desire for revenge—so a war is what they’ll get. The full strength of international organized crime against every known terrorist group working today. Crime versus chaos.

We will protect our interests, and I will protect my son. We won’t get them all, but I will get my revenge, or I will die trying.

They will know my name.

They will feel my wrath.

They will fear The Wolf.

BONUS: This edition includes Lorenzo Carcaterra's short story "The Vulture Game."
