## **Whim, Woe and Wonder: Tales for the Ever-Present Child** Craig Kandell

Have you ever wondered what happens to your socks when they disappear in the dryer, why some paths one takes in life are difficultly reversible, if short can be sweet, why simplicity is virtuous, why it's OK to let your actions speak for themselves, why so many obstacles must be overcome before absconding for a weekend, if it's OK to be different, why humility has its hmmph, why one must often do for themselves in order to do something right, or why it's OK to say "No" in order to remain focused on what's important? These and other very important questions, conundrums and quandaries are delved in Whim, Woe And Wonder (Tales For The Ever - Present Child).

Radar says: "Read this Book! Great Entertainment for the Whole Family! [And the Monsters Under Your Bed, Too!] Wonderful story poem and prose tales for our trying times!"

These tales will enchant Adults, Young Adults, Tweens and even Precocious Children alike!

!Excerpts!

(Here are Coming Attractions . . .

Scenes From *The Dryer And The Sock*)

So, the Feds surrounded the whole building  
Demanding that the "Bad-Guys"  
"Come-Out" and "Come-Clean"  
The megaphones were set up by  
The Duster-Frocked G-Man Negotiating Team  
"Come out with your heel up!  
Come out through the brass ensconced front door!  
Come out, Sock, you're all washed up,  
If not, the worst's, for you, in store"  
But the Half-Pair Socken Leader  
Tittered, and he sneered  
And continued onward Leading  
All his wayward, Half-Pair Socken peers  
"You'll never get me, Coppers  
You'll never take me in,  
You'll never see me locked up  
Try and get me, I dare you! If you can,  
(But, I assure you that I'll win)"
