A Day in the Salt Marsh

Kevin Kurtz

A Day in the Salt Marsh Kevin Kurtz

Enjoy A Day in the Salt Marsh, one of the most dynamic habitats on earth. Fun-to-read, rhyming verse introduces readers to hourly changes in the marsh as the tide comes and goes. Watch the animals that have adapted to this ever-changing environment as they hunt for food or play in the sun, and learn how the marsh grass survives even though it is covered by salt water twice a day. An activity on adaptations is included in the For Creative Minds section.
