Gracias, Francia (Spanish Edition)

Jordi Ferrerons

Gracias, Francia (Spanish Edition) Jordi Ferrerons

Lo que está muy cerca es muchas veces lo que más se desconoce.

Más allá de unos cuantos estereotipos generalmente poco afortunados, Francia es una especie de lugar ignoto para la gran mayoría de los ciudadanos españoles, a los que parece reconfortar la idea de que se trata de un país poblado por unos seres soberbios y altaneros, propensos a la bronca y de mal perder cuando por ejemplo la Roja vence a su selección nacional.

El autor, durante seis años corresponsal de televisión en París, presenta un retrato de Francia impregnado de un afecto crítico, lleno de ironía y basado en su empeño de dar a conocer al lector español un país fascinante, plagado de contradicciones, orgulloso de su historia y que ha aportado a la humanidad conocimiento, placeres sensoriales, métodos de análisis y pensamiento y, en general, un enfoque de la vida que aúna la razón con la pasión. Como señala el propio autor en el prólogo: «A pesar de sus particularidades en ocasiones irritantes, de sus pulsiones conservadoras fruto de la autocomplacencia, de la inseguridad en sus propias fuerzas y del miedo al declive, a su pérdida de influencia en el mundo y a su crisis de identidad, Francia mantiene una capacidad infinita para imaginar, trascender, inventar e innovar. Es, en general, un país al que hay mucho que agradecerle».

Gracias, Francia pretende descubrir de una forma divertida, rigurosa, próxima y cómplice un país tal vez demasiado cercano para percatarnos de cómo es en realidad. Un país donde entre otras cosas la lectura goza de un prestigio envidiable en otras latitudes...

From reader reviews:

Leonard Dail:

As people who live in typically the modest era should be up-date about what going on or facts even knowledge to make them keep up with the era that is certainly always change and move ahead. Some of you maybe will probably update themselves by reading through books. It is a good choice in your case but the problems coming to you actually is you don't know what one you should start with. This Gracias, Francia (Spanish Edition) is our recommendation to help you keep up with the world. Why, because book serves what you want and wish in this era.

Ray Ortiz:

In this period of time globalization it is important to someone to receive information. The information will make someone to understand the condition of the world. The health of the world makes the information simpler to share. You can find a lot of sources to get information example: internet, newspapers, book, and soon. You can observe that now, a lot of publisher which print many kinds of book. Often the book that recommended for you is Gracias, Francia (Spanish Edition) this guide consist a lot of the information with the condition of this world now. This particular book was represented so why is the world has grown up. The language styles that writer use to explain it is easy to understand. Typically the writer made some study when he makes this book. Here is why this book acceptable all of you.

Therese Watson:

Do you like reading a guide? Confuse to looking for your selected book? Or your book seemed to be rare? Why so many query for the book? But just about any people feel that they enjoy intended for reading. Some people likes reading through, not only science book but in addition novel and Gracias, Francia (Spanish Edition) or even others sources were given knowledge for you. After you know how the fantastic a book, you feel want to read more and more. Science reserve was created for teacher or perhaps students especially. Those publications are helping them to include their knowledge. In other case, beside science book, any other book likes Gracias, Francia (Spanish Edition) to make your spare time considerably more colorful. Many types of book like this.

Margaret Thompson:

Reading a publication make you to get more knowledge from this. You can take knowledge and information coming from a book. Book is written or printed or illustrated from each source that filled update of news. In this particular modern era like today, many ways to get information are available for a person. From media social like newspaper, magazines, science guide, encyclopedia, reference book, fresh and comic. You can add your understanding by that book. Isn't it time to spend your spare time to spread out your book? Or just in search of the Gracias, Francia (Spanish Edition) when you necessary it?
