The Complete Guide to Motorcycling Colorado: The Definitive Reference for ALL the Best Roads, Rides, and Tips Steve Farson

This comprehensive new guidebook to Colorado contains colorful in-depth descriptions of 172 different rides that can be combined in a variety of ways to create the best trips for all riding styles and interests. Each ride is mapped individually, and the individual rides each have their own more detailed maps, along with route descriptions, photos, local points of interest, and historical background information. Regional maps show how the rides can be combined to form journeys from half a day to several days in length, on paved roads or into the back country, or both. Color photos for each ride introduce the incredible variety of terrain, and historical photos placed next to present day shots show how much (or how little) has changed in the intervening years.
