What happens when swagger jackin' becomes deadly? Dominique Lewis spent most of her days as a high maintenance wanna-be. Although she had the perfect physique and facial features, she studied the charming behaviors of women who successfully got into the pockets of hustlers. Her life-long dream was to become wealthy, and a house-hold name. By any means necessary, she vowed to get what she wanted. As Dominique's mission unfolds, she manages to only rub elbows with the elite. Soon, after the tragic murder of her sister, all hell breaks loose, and Dominique's cover is blown. Armed with revenge on the brain, and a status goal in mind, she lands a position as Rapheal's woman, the most sought after millionaire Atlanta has to offer. Raphael's lavish status in town puts her on a new level, right where she always dreamed. It was all about money, sex, and power. There was only one problem; Rapheal had always been faithful to his former girlfriend, and had especially been off limits to Dominique. Unfortunately for Dominique all rules remained the same. In an effort to hold on to Rapheal, and all the elaborate material possessions, Dominique sets out on a deadly mission to remove anything that stands in her way.
