Girls aren't really made of sugar and spice and everything nice. Well, perhaps some girls are, but those are certainly not the girls you'll meet in *I Kissed a Frog*, a collection of wacky short stories, tongue-in-cheek diaries and not so grim twenty-first century fairy tales that turn love and friendship inside out and upside down. You'll find it all here: getting even with exes, changes in male-female dynamics, crazy diet wars, besties turning into worsties, dark humour, light comedy and the startling discovery that Prince Charming may not be your pitcher of beer. Young, fun and feminist, *I Kissed a Frog* is just what a girl needs to chase the blues away.
