Interrupt

Jeff Carlson

Interrupt Jeff Carlson

In the distant past, the leader of a Neanderthal tribe confronts the end of his kind.

Today, a computational biologist, a Navy pilot, and an autistic boy are drawn together by the ancient mystery that gave rise to *Homo sapiens*.

Planes are falling from the sky. Global communications have ceased. America stands on the brink of war with China—but war is the least of humankind's concerns. As solar storms destroy Earth's electronics and plunge the world into another Ice Age, our civilization finds itself overrun by a powerful new species of man...

This brilliant thriller takes readers to an all-too-plausible tomorrow that's as scientifically rigorous as it is wildly imaginative.

Jeff Carlson is the internationally bestselling author of *Plague Year* and *The Frozen Sky*. With *Interrupt*, he brings his forward-thinking fiction to a contemporary setting with this edge-of-your-seat thriller.

From reader reviews:

Julianna Pepper:

With other case, little men and women like to read book Interrupt. You can choose the best book if you like reading a book. Providing we know about how is important a book Interrupt. You can add knowledge and of course you can around the world by just a book. Absolutely right, because from book you can know everything! From your country till foreign or abroad you will be known. About simple matter until wonderful thing you may know that. In this era, we can easily open a book or even searching by internet system. It is called e-book. You may use it when you feel weary to go to the library. Let's study.

Lanita Hill:

What do you ponder on book? It is just for students since they're still students or the idea for all people in the world, the actual best subject for that? Simply you can be answered for that query above. Every person has diverse personality and hobby for every other. Don't to be pushed someone or something that they don't need do that. You must know how great in addition to important the book Interrupt. All type of book are you able to see on many solutions. You can look for the internet solutions or other social media.

Margaret Gentile:

Is it you actually who having spare time subsequently spend it whole day by simply watching television programs or just resting on the bed? Do you need something totally new? This Interrupt can be the answer, oh how comes? A fresh book you know. You are therefore out of date, spending your time by reading in this fresh era is common not a nerd activity. So what these textbooks have than the others?

Janette Collins:

With this era which is the greater man or who has ability in doing something more are more special than other. Do you want to become one among it? It is just simple method to have that. What you are related is just spending your time not very much but quite enough to have a look at some books. On the list of books in the top checklist in your reading list is actually Interrupt. This book and that is qualified as The Hungry Hillside can get you closer in becoming precious person. By looking way up and review this publication you can get many advantages.
