Mending Horses M. P. Barker

Daniel Linnehan is an indentured servant no more. He has his papers, his beloved horse, Ivy, and a new direction in life. But an Irish teenager, wearing fine clothes and riding an even finer horse, is asking for trouble. After a terrible misunderstanding leaves Daniel beaten, the peddler Jonathan Stocking takes Daniel under his wing. Billy, another Irish youngster traveling with Mr. Stocking, is not thrilled that the two must work together, first as peddlers on the road and then in a traveling circus where Daniel heals and trains the skittish circus ponies and Billy charms audiences with a singing voice from heaven. All too soon, past secrets catch up to them, bringing danger and heartache. This deeply moving sequel to *A Difficult Boy* weaves an indelible piece of historical fiction into a gripping adventure that explores themes of patience, courage, kindness, and the true meaning of family.
