## **Smith & Hawken: 100 Old Roses for the American Garden** Clair G. Martin

Grow a rose once praised by Virgil, known today as 'Autumn Damask.' Or the ancient 'Apothecary's Rose,' which Count Thibaut brought back from the Crusades. Or 'Empress Josephine,' enjoyed by the lady herself.

Treasured for their mixture of toughness and charm, versatility in the garden, and glorious scent, Old Roses are a revelation to gardeners accustomed to fussy modern hybrids. Suddenly roses don't come in one shape but in a dozen, and don't require a scientific approach but thrive with the basics of sun, water, and soil. Clair Martin, who has over 2,000 different roses under his care, offers enthusiasts a perfect introduction to growing Old Roses, followed by a focused list of 100 cultivars ideal for gardens across America.

From 'Alba Semi-plena' an excellent cold-climate survivor and one of the oldest forms of the white rose, to the popular 'Zéphrine Drouhin,' with her deep, rich cerise tones--each rose is photographed in sumptuous color and accompanied by history, parentage, culture, and at-a-glance information on availability, stature and habit, hardiness, and time of bloom.
