The Mozart Conspiracy: A mystery thriller Phillip Swann

David Webber is a man of prodigious musical talent--and prodigious alcohol consumption--who makes a meager living playing piano in a hotel bar. He's sure he's hit rock bottom. David doesn't realize, however, his boring, depressing life is about to get complicated--and dangerous.

When David's college mentor is murdered and his music agent disappears, he becomes the prime suspect. David is hurled into a treacherous world of international assassins, underground crime, and shadowy figures in the US government.

Could these events be linked to a few faded scribbles of music his mentor passed on to him years earlier? Two centuries after a chance meeting between Wolfgang Amadeus Mozart and Benjamin Franklin, a washed-up piano player uncovers what might be the most explosive musical discovery ever made. But if David can't put all the pieces together, he could end up like Mozart: a dead musical genius.
