**The Small Faces & Other Stories** Uli Twelker, Roland Schmitt

*The Small Faces & Other Stories* is a trip back in time, charting the rise and fall of one of the Sixties most energetic and successful bands. It is the extraordinary story of how this bold four-piece, led by mercurial cockney Steve Marriot, found fame and then splintered by the end of the decade to evolve into Humble Pie with Peter Frampton, and the Faces fronted by Rod Stewart.

Along the way their trademark songs *Itchycoo Park*, *All or Nothing*, *Stay With Me* and *Baby I Love Your Way* would influence future generations of musicians such as Paul Weller, Ocean Colour Scene and Blur.

By way of anecdote, interview and analysis, Uli Twelker and Roland Schmitt lift the lid on the bands' complex histories and the explosive characters involved that built one of rock music's most enduring and successful family trees.
