**Time Barrel: How do Surfers Experience Time in the Barrel?** C. M. Peterson

Time Barrel looks at time distortion experienced by surfers getting barreled. This book highlights the colorful quotes contributed by surfers describing their experience of time in the barrel. An academic summary and dissertation are presented herein with references for students and researchers interested in subjective time, flow theory, the surfer population in research, and social media in qualitative research. Look for a video in the future. Thanks to all of the athletes who participated in this study and all of the surfers on <http://www.facebook.com/DrCynthiaPeterson>.
