Here are the wartime diaries of Wayne Nelson, an OSS officer who served in North Africa and Europe during World War II. A prewar colleague of Allan Dulles, Nelson joined an infant OSS after failing to join the Navy because of a vision disability, and he went on to serve in North Africa, Sicily, Sardinia, Italy, Corsica, and mainland France. Erudite and a skilled writer, Nelson captured intriguing observations about some of the most important spy operations of the war, and his diaries offer a thrilling, readable and informative glimpse into the life of a spy during World War II.
