## Symbols of Plenty Ruth Bidgood

*Symbols of Plenty* is the tenth published collection of verse by Ruth Bidgood, one of today's leading Anglo-Welsh poets. It includes her celebratory *Hymn to Sant Ffraid*, or St Brigid as she is more widely known, which was originally commissioned for broadcast by BBC Radio Wales. Published here in its entirety for the first time, it brings into view a whole new dimension of her work. Weaving together the complex strands of myth and legend that surround this sixth century saint, it is an insightful and articulate statement of Celtic faith and belief.

Five poetic sequences follow, chains of short poems focusing on themes that are central to Ruth Bidgood's writing - landscape, the myriad small events of everyday experience, the renewing power of memory in both private and public life.
